The **GGNB Alumni Portal** has various search functions and hereby offers a particular advantage for networking activities for GGNB alumni, students and faculty.

I agree that my contact details and alumni data will be included in the **GGNB Alumni Portal**. My personal information includes my name, title, nationality, e-mail addresses, year of PhD defense and program affiliation. This information is per default not publicly visible.

Upon giving my consent I will receive login details for my personal account where I can update my personal information, current occupation, add memberships in professional network profiles such as LinkedIn, Xing, Research Gate, and change the visibility settings.

I hereby agree.
