UPPSALA
UNIVERSITET

Welcome to Uppsala University!

Uppsala University (UU) is the oldest university in Scandinavia, founded in 1477. Campus Uppsala is located 70 km north of Stockholm and 30 km from the international airport Stockholm Arlanda. In total, the university has about 45 000 students, of which 14 000 study at the Faculty of Science and Technology. Uppsala University is one of the top universities in the world according to major rankings. For more information, please refer to Student Life at Uppsala University, the International Student Guide and our campus information.

The Faculty of Science and Technology at Uppsala University conducts world-leading research and educates engineers and natural scientists. Here, students are challenged to begin contributing to innovative solutions to real and current problems during their studies.

Course Catalogue

Uppsala University offers a unique range of subjects in science and technology. Research and education take place here across a broad-spectrum encompassing biology, computer science, physics, earth sciences, chemistry, mathematics and technology. The faculty's successful research and education contributes to the University continually being ranked among the top 100 universities in the world.

[All courses listed under the Department of Information Technology](#) are open to exchange students, provided they fulfil the prerequisites. Courses will be taught in English.

Requirement: B2.

Full-time workload: 30 credits

Minimum: 25 credits*

Maximum: 37.5 credits

*Please note, the Swedish Migration Agency requires students to be accepted to full-time studies to issue residence permits for non-EU/EES students. Full-time study means 30 credits/ECTS (or higher education points) per term.

Nomination and Application Dates

Deadline for spring semester nominations: 1 October.

Deadline for autumn semester nominations: 1 April.

Nominations is done via e-mail to Ulrika.jaresund@it.uu.se

Autumn semester:

- 15 March: online application opens
- Deadline 15 April

Spring semester:

- 15 September: online application opens
- Deadline 15 October

Accommodation

Housing is not guaranteed, but accommodation is offered for exchange students based on the following conditions: 1. The exchange agreement is relatively well balanced with regard to incoming/outgoing students. 2. The application for housing in Uppsala is submitted on time and the student has accepted the offer by the deadline specified in the housing offer. There are various housing options available, please refer to the [Housing Office's website](#) for more information.

Visa and residence permit

All non-EU/EES citizens need to apply for a residence permit to stay longer than 90 days in Sweden.

The Swedish Migration Agency requires that non-EU/EES students be accepted to full-time studies which are 30 higher education points (or more) per term.

Uppsala University will send a Certificate of Acceptance by e-mail for the visa/residence permit application. [Further information](#). More details will be sent with the Certificate of Acceptance by late May for the autumn semester and late November for the spring semester.

Please note: Non-EU/EES citizens currently studying in another country covered by the Schengen agreement must still apply for a residence permit prior to arrival in Sweden.

Insurance

All exchange students are automatically covered by Uppsala University's insurance policy Student IN at no cost to the student. The policy covers emergency medical care (for non-EU/EES citizens), liability coverage up to 3 million SEK, legal coverage and accident insurance. [Full details on Student IN insurance](#)

Please note: Student IN does NOT cover pre-existing medical conditions or trips outside Sweden. Students should read the terms and conditions and determine whether they need to purchase additional private health insurance.
