

Tagungsbeiträge / Contribution to Conferences 2016

Tagungsbeiträge

1. Andert H, Scherber C, Tscharntke T, Niedringhaus R (2016) Revisiting species-area-relationships – the case of German barrier islands. In: (Hrsg.) Fort Lauderdale, 9th August. Annual Meeting of the Ecological Society of America (ESA) , S.
2. Bänsch S, Tscharntke T, Westphal C (2016) Effects of mass-flowering resources on minor crop pollination services: Facilitation or competition? In: (Hrsg.) 150 years of Ecology - lessons for the future. Verhandlungen der Gesellschaft für Ökologie , S. 344
3. Grass I, Albrecht J, Jauker F, Diekötter T, Warzecha D, Wolters V, Farwig N (2016) Much more than bees – harnessing the conservation value of wildflower plantings. In: (Hrsg.) 150 years of Ecology - lessons for the future. Verhandlungen der Gesellschaft für Ökologie , S. 89
4. Happe AK, Riesch F, Rösch V, Gallé R, Tscharntke T, Batáry P (2016) Wild bees in cereal field margins: benefits of small-scale agriculture and organic management. In: (Hrsg.) 150 years of Ecology - lessons for the future. Verhandlungen der Gesellschaft für Ökologie , S. 219
5. Hass A, Baillod AB, Batáry P, Clough Y, Sirami C, Tscharntke T (2016) Farmland heterogeneity effects on trait filtering of predatory and flower-visiting arthropod communities across Europe. In: (Hrsg.) 150 years of Ecology - lessons for the future. Verhandlungen der Gesellschaft für Ökologie , S. 214
6. Jauker F, Jauker B, Grass I, Wolters V, Steffan-Dewenter I (2016) Effects of habitat loss and isolation on specialization in pollinator networks. In: (Hrsg.) 150 years of Ecology - lessons for the future. Verhandlungen der Gesellschaft für Ökologie , S. 215
7. Kurucz K, Suarez-Rubio M, Chamberlain DE, Batáry P (2016) Importance of suburban areas for birds: a hierarchical meta-analysis. In: (Hrsg.) 150 years of Ecology - lessons for the future. Verhandlungen der Gesellschaft für Ökologie , S. 284
8. Rosa J, Tscharntke T, Musshoff O, Loos J (2016) Benefits, costs and risks of Diversified farming systems. In: (Hrsg.) 150 years of Ecology - lessons for the future. Verhandlungen der Gesellschaft für Ökologie , S. 337
9. Taylor P, Grass I, Foord S, Alberts D, Linden V, Weier S, Maphote T, Tscharntke T (2016) Ecosystem services and disservices of birds, bats and ants in subtropical fruit crops in southern Africa. In: (Hrsg.) 5th Ecosummit, Montpellier. EcoSummit, Ohio, USA, 30.09. - 05.10.2012, S.
10. Tiede J, Wemheuer B, Traugott M, Daniel R, Tscharntke T, Ebeling A, Scherber C (2016) Plant diversity affects multitrophic interactions in an experimental grassland. In: (Hrsg.) 150 years of Ecology - lessons for the future. Verhandlungen der Gesellschaft für Ökologie , S. 295
11. Winter S, Zaller JG, Bauer T, Kratschmer S, Popescu D, Strauss P, Paredes D, Guzmán G, Gómez JA, Landa B, Nicolai A, Guernion M, Batáry P (2016) Effects of vineyard management intensity on - insights from a meta-analysis. In: (Hrsg.) 150 years of Ecology - lessons for the future. Verhandlungen der Gesellschaft für Ökologie , S. 332

Vorträge und Poster

1. Andert H (2016) BEFmate – Biodiversität und Ökosystemfunktionen von marinen hinüber zu terrestrischen Ökosystemen. Conference of the Working group Diptera, Kelbra (Germany), 17th of June, 2016
2. Andert H (2016) Decomposition of carcass along a marine-terrestrial gradient in the Northern Sea (Germany). Forensic Entomology Seminar
3. Andert H, Scherber C, Tscharntke T (2016) Revisiting species-area-relationships – the case of German barrier islands. II. International Conference on Island Evolution, Ecology and Conservation (Island Biology)
4. Bänsch S, Tscharntke T, Westphal C (2016) Managing pollination services for a minor crop: competition by mass-flowering crops and entomovectoring by bees. 63. Jahrestagung der AG der Institute für Bienenforschung e.V.
5. Batáry P (2016) Importance of landscape structure in conservation of farmland biodiversity. Symposium on Conservation of biodiversity in agricultural landscapes. Invited keynote talk, University of Latvia, Riga
6. Batáry P, Dicks L, Kleijn D, Sutherland WJ (2016) The role of agri-environment schemes in conservation and environmental management. International Conference on “Biodiversity conservation on farmlands at crossroads”, Pulawy
7. Batáry P, Rösch V, Tscharntke T (2016) Fragmentation effects depend on biodiversity measure applied: Examples on grassland plants and insects. II. International Conference on Island Evolution, Ecology and Conservation (Island Biology)
8. Darras K (2016) Determinants of the price and trade network in the Indonesian caged bird trade. Conservation Asia 2016
9. Darras K, Arlettaz R, Batáry P, Clough Y, Kojex O, Fitriawan I, Pabowo WE, Puetz P, Rembold K, Hernandez MT, Tscharntke T (2016) Acoustic sampling of animal biodiversity: challenges, opportunities and advantages. Conservation Asia 2016
10. Gayer C, Kurucz K, Fischer C, Tscharntke T, Batáry P (2016) Reducing field size and farming intensity to enhance arable field centres as suitable habitats for birds and small mammals. 10th European Conference on Ecological Restoration
11. Grass I (2016) Biodiversität und Ökosystemprozesse in südafrikanischen Agrarlandschaften. Christian-Albrechts-Universität zu Kiel – Seminar „Themen der Umweltwissenschaften“
12. Máthé O, Batáry P (2016) Insectivorous and open-cup nester bird species suffer the most from urbanization. 20th Conference of the European Bird Census Council, Leipzig
13. Tscharntke T (2016) Biodiversity services in agroecosystems. International Congress of Entomology
14. Tscharntke T (2016) Biodiversity services in changing landscapes. Positive Impacts through Land-Use Changes - DFG round table discussion, 7-8 April 2016, Bonn
15. Tscharntke T (2016) Ursachen und Auswirkungen des Biodiversitätsverlustes bei Insekten. Ausschuss für Umwelt, Naturschutz, Bau und Reaktorsicherheit, Deutscher Bundestag, /3. Sitzung am 13.01.2016
